

Neutron Wins it Again!

Neutron was the shining star at a glittering Awards Ceremony held by Polycom as part of its Global Partner Conference. The event took place during Jan 22 - 25, 2008 in San Diego, California and was attended by Mr. V. Rangan, VP Mktg. Neutron Electronic Systems Pvt. Ltd.

- Neutron received the award for Top Partner for Customer Satisfaction for India Region (for the third time)
- Additionally a special trophy was awarded to Neutron in appreciation of 13 years of loyalty and support to Polycom

This conference was aimed at informing resellers about:

- Polycom's achievement of \$1 billion sales turnover in the year 2007
- New strategy involving deployment of Polycom salespeople worldwide to support resellers like Neutron
- Exposition of Polycom's new strategic alliance for adding value to its product range and providing solutions to its customers. The significant role of high visibility partners was duly recognized, highlighted, cited and awarded at the function
